

Product Specification

| | | | |
|----------------------------|--|--------------------------------------|-------------------------|
| SW 06360 | Propylene Glycol Industrial / Technical | | |
| Reference: Supplier | | 06360 Propylene glycol indl spec.doc | Page: 1 |
| Revised: 9/24/09 | Revision 5 | Review Date: 9/24/19 | Printed: 8/16/17 |

| Receipt date: | | Lot #: | |
|-------------------------|-------------------------|--|---------|
| TEST | SPECIFICATION | METHOD | RESULTS |
| Appearance | Mobile liquid | Observation | Pass |
| Color | Colorless | Observation | Pass |
| Odor | Very low to odorless | Observation | Pass |
| Clarity | Clear, no particulate | Observation | Pass |
| Refractive Index @ 20°C | 1.4315 – 1.4335 | Abbe refractometer | |
| Water dilution | Clear @ all proportions | Dilute with DI water @ (approx) 0.1:1, 0.5:1, 1:1, 3:1, 10:1 | |
| Water, ppm | ≤ 2000 | Karl Fischer titration | |
| Specific gravity @ 20°C | 1.0375 – 1.0390 | Density meter or cup | |
